

Bio's on our teachers:

Michael Johnson moved to Utah from New Jersey and has become one of the top coaches in the Valley. Back in New Jersey, Michael trained top amateur and professional couples and received the top teacher award. He danced professionally as a 10 dance competitor and was a Swing dance champion. Michael's ideas about performance and competition are innovative and unique. He will continue to produce top couples as long as he teaches!

Elaine Grenko has trained dancers of all ages. Some of her accomplishments include teaching ballroom classes at Brigham Young University, coaching the BYU Youth 7th grade competition team, teaching Pleasant Grove High School Ballroom team for 10 years and training competition couples. She has recently worked closely with Cheryll to help build the Elementary and Junior High programs with a standardized curriculum. Elaine's specialty is teaching technique in all Ballroom dance styles.

Cheryll Treu has been teaching Pre-teen age students for the past 15 years. She is an advocate for Elementary and Junior High Ballroom Dance and has helped create and written a specific Ballroom dance curriculum for Elementary and Junior High schools across the Wasatch Front. She is in charge of organizing the largest Elementary Team Match seen here in the state of Utah. Her love for teaching young students is tremendous!

Krista Treu Derington is accomplished in all styles of dance. She had the wonderful opportunity to travel, perform and compete with both top Ballroom and Modern touring teams at BYU. She has won multiple national titles in Cabaret (Theater Arts), Latin, Ballroom, Rhythm and Smooth as an Amateur competitor. She taught beginning and intermediate social dance for three years at BYU and taught the Orem High JV team for one year. Krista graduated from BYU with a degree in Dance Education and plans on starting her Masters of Fine Arts in Modern Dance at the University of Utah this coming August.

REGISTRATION NOTE:

In order to maintain an even number of males and females in each class, it is important to limit the number of each gender that can register. Females wanting to register without a partner will be placed on a waiting list until we have a boy available. Females registering with a male dance partner, friend, will be able to register immediately. **Please note that the classes are structured so that the students change partners often, and that each person will get a chance to dance with everyone in the class. Six or more couples must be registered for camp and or extra classes for the camp and or class to be offered; excluding Movement for Ballroom Dancers and Creative Dance classes which do not need a partner.**
