UBA State Title Match

The Utah Ballroom Alliance State Title Match is not recognized by the National Dance Council of America, Inc. Some of the NDCA rule that directly apply to amateur competitors, along with additional rules applied by the organizer as follows:

1. ***All competitors must currently be a member of a ballroom team or program at a public, charter or private school.***
2. All Pre-Teen, Junior, Youth and Adult amateur competitors must have an admission ticket for each day they are competing.
3. No couple is exempt from competing in any round. Any couple who fails to appear at the scheduled time for the first round of any event will be disqualified from the event.
4. No person may compete in an age classification lower than their own. A couple's age classification eligibility is defined as the age of the older partner on the day of the competition, however, this definition does not allow the younger member of the partnership to dance up two age levels. Dancers may dance up **one** level.

Specifics are listed below:

Age Categories

The following designations will be used for the Open and Syllabus categories:

Elementary School: Competitors, who as of August 2011, will be in grades K-6th.

Junior High: Competitors, who as of August 2011, will be in grades 7th – 9th

High School: Competitors, who as of August 2011, will be in grades 10th- 12th

Entry Restrictions

- Competitors who dance in a syllabus event may not dance in any open event of the same style.
 - **Competitors may dance up one age classification.**
5. A competitor is eligible to dance in the "syllabus", "Novice", "Pre-Championship" classifications until they accumulate three proficiency points. There is no limit to the number of proficiency points that may be accumulated in the "Championship" level. See point accumulation that follow:

Point Accumulation

- A competitor receives one point when they either a) place first in their current classification when a semi-final was danced or b) dancing the final of a higher proficiency event where a semi-final was danced.
 - The eligibility to compete in a classification is applied to individual competitors and not as a couple.
 - An amateur couple's only eligibility is based on his/her accomplishments regardless of the number or length of partnerships.
 - It is the responsibility of all amateur competitors to ensure that they are eligible for all categories entered.
 - An amateur competitor may enter at most two consecutive proficiency classifications in any particular style and age group.
 - An amateur competitor's ineligibility begins at the conclusion of the competition in which his/her third point was acquired. In this case the word "competition" refers to the entire event (generally a "weekend").
6. All international style syllabus competitions are restricted to the ISTD Bronze, Silver & Gold syllabus. Newcomer and American style syllabus events may use any syllabus from member organizations of the NDCA as well as the BYU syllabus. Couples must dance within the framework of the accepted syllabi, including precedes and follows and without embellishment. For international style syllabus events, figures must be danced as defined in the ISTD technique book. Partial figures may not be utilized unless so specified in the "precedes and follows" sections. Couples dancing out of syllabus will be warned once and then disqualified.
 7. A competitor is eligible to dance in the "newcomer" event (Elementary, Junior High, High School) until they have placed in a final of any event in their age classification, provided a quarter-final was danced.
 8. Any amateur competitor who wears a costume deemed by the organizers to be unsuitable will be requested to change. If such request is not followed, the competitor will not be allowed to dance and their entry will be canceled without a refund of fees. Specific costume rules are listed on the next page.
 9. Competitors in the Latin-American divisions must not be overly suggestive in their movements at all times while on the floor. Couples who are viewed as inappropriate will be warned once, and then will be subject to disqualification.
